

## Early Career Physician Chapter Representative: Illinois

*AAP Section on Early Career Physicians (SOECP)*

### **Position Description / Roles and Responsibilities**

The Illinois Chapter representative to the AAP Section on Early Career Physicians (SOECP) will serve to improve communication between the Illinois Chapter and AAP SOECP. The representatives will assist the chapter in engaging early career physicians (ECP) in chapter activities and leadership.

#### **Term:**

Two year term with opportunity for reappointment.

#### **Qualifications:**

The representative should be a current member in good standing of the Illinois chapter and of the AAP Section on Early Career Physicians. Early career physicians are those within the first ten years of practice following completion of training.

#### **Appointment Process:**

the ECP representative will be appointed by the officers of the ICAAP executive committee after completion of brief application and submission of statement of interest.

#### **Responsibilities:**

- Attend at least two meetings of the ICAAP Executive Committee and provide report on activities of the AAP SOECP. Attendance can be in person or via video conference.
- Voice the perspective of the ECP during ICAAP discussions
- Write one article for the *Illinois Pediatrician*
- Engage and recruit ECP physician members to ICAAP and participate in chapter activities
- Reach out to new ECP chapter members to provide your contact information and engage in ICAAP activities
- Participate in two phone conferences annually (April and November) with AAP SOECP leadership and other chapter representatives
- Serve as the chapter contact point for your district ECP representative
- Serve on the ICAAP Annual Meeting planning committee to assist in identifying topics of interest for ECP
- Attend the ICAAP annual Lobby Day
- Work with residency programs in Illinois to provide information on ICAAP and the AAP
