## DEB KLEINMAN

## BIOGRAPHY

---

Deb is a consultant based in Laramie, Wyoming with over twenty years of experience as a facilitator, trainer, program designer and evaluator, and nonprofit executive in a wide range of settings. She is also a professional coach, certified through the International Coach Federation, and in the EQi2.0 (emotional and social intelligence), with additional training in conflict coaching. Deb has a particular passion and talent for connecting people, building relationships, and bringing diverse stakeholder groups together to solve complex problems using proven collaborative approaches.

Deb's services include facilitation, coaching, training, and program management for organizations, coalitions, and individuals working in natural resources and the environment, climate change, agriculture and food systems, and public health. She also work with organizations and groups, providing support and facilitation services in strategic planning, adaptive management, and organizational excellence.

Deb is an ALTP graduate (2007), and currently services on the RIHEL board of directors.
