

YOU'RE INVITED · SUMMER 2026

CodeHS 2026 Regional Meetup

A free, half-day workshop to elevate your classroom and Code Craze coaching skills with new tools, curriculum, and AI.

Connect with fellow educators, get hands-on with what's new, and leave with strategies you can use right away.

What to expect

- ✓ New & updated courses with Code Craze content — **Vibe Coding with AI**
- ✓ A first look at platform updates to help run Code Craze events — **Academic Integrity & Student Groups**
- ✓ AI tools and use cases to **save you time** and help your students
- ✓ A high-value session led by a **tenured former CodeHS classroom teacher**
- ✓ **Breakfast** and time to connect with other CS educators in your area

Attend & get 60 days of CodeHS Pro* — free

Plus a 5-day AI Creator license, so you can explore everything CodeHS has to offer.

When

10:00 AM – 12:30 PM

Local time · breakfast included
